

Our fundraising target for 2016/17

At our Annual General Meeting in September, we were provided with a wish list from Mrs. van Vliet for things the school would like support from the PTA funds for. Below is an outline of these, and our fundraising target for this year.

Our fundraising target for 2016-17 school year is £5,000. While we managed to donate almost £6,500 last year, it was a very good year and we have set our target a bit lower this year – but we aim to beat it!

Forest School

We are planning to continue to support the development of the Forest School project with another £1000 donation.

IT equipment

At our AGM in September, we received a thank you letter from the children who are the Digital Leaders for the iPads we purchased last year. The letter also included a request for further funding! We have agreed to commit another £1000 to support the purchase of more IT equipment, and we hope to add to this over the course of the year, depending on how much funds we manage to raise.

Christmas Panto

We supported the cost of a visiting pantomime company to come to the school in December, which cost £400.

Class Christmas Parties

We agreed to provide a small amount of money for each class to have a party in their classroom – we donated £20 per class.

Christmas Grotto

Each year we arrange for Father Christmas to visit the school and bring presents for the children. We provide financial assistance to the elves who make the presents.

Class trips

We believe that class trips are of huge benefit to the children, but the cost of sending children on a trip can be high. Subsidising the cost of these trips is a core activity of the PTA, and we aim to once more donate £10 per child to offset the cost for parents and carers.

Year 6 Leavers' Party

Once again, we will support the cost of a class party for Year 6, to mark the end of their time at the school, as well as a farewell event on the school fields on the last day of term.

Our fundraising target for 2016-17:
£5,000

Our total for 2016-17 so far:
£1,320

Can you help? – we always need donations of unwanted toys, gifts and prizes for raffles!
