Dear Parents

**Learning to Read (Autumn Term)  
Maths Mastery**

**Reception Class  
Years Rec-6**

Thank you for the positive and developmental feedback comments we received following last year's Inspire Workshops. We are delighted to be able to offer you the opportunity to once again work with your child in school so that you have a clearer understanding of how your child learns in class and the many ways you can support your child with homework tasks.

During the last academic year, we reviewed our Maths Policy and the way in which Maths is now taught in all year groups. To bring all parents up to date with this new approach, the Inspire Workshops will focus on the teaching and learning of Maths through fluency, reasoning and problem solving activities which lead to a greater depth and understanding of calculation strategies. We hope that by issuing the dates at the very beginning of term, you will be able to make arrangements to attend so that you can further support your child.

Apart from Reception Class's reading workshop, all Maths workshops will begin at 9.10 a.m until about 10.20 a.m. Further details will be sent out to you as each class's workshop draws closer.

Inspire Curriculum Workshop Dates:

Tuesday 25th September 2018:	Year 5
Tuesday 2nd October 2018:	Year 4
Wednesday 17th October 2018:	Year 3
