

It's a Baby!

On **Thursday 10th December**, the true meaning of Christmas was shared at Our Lady of Fatima School as the Infants revealed the story of 'It's a Baby'- the special story of the very first Christmas more than two thousand years ago when our Lord, Jesus Christ was humbly born in a stable in Bethlehem. The narrators re-told each part of this magnificent story and were helped by an array of song and dance. Well done to all our wonderful Infants and the staff for a truly memorable performance.
