

# SNOMAC and Our Lady of Fatima School

Developing skills in:

*Fielding, throwing, catching, batting and team building.*

**Friday 22<sup>nd</sup> April 2016**

Past pupils from Our Lady of Fatima School came to lead sessions as young teachers. They all had the guidance and support of their PE teacher – they did a superb job.

Year 3 pupils were particularly delighted to see their 'special friends' from when they were in Reception class.
