

# Year 1's Visit to the Black Country Museum

On **Tuesday 24<sup>th</sup> May 2016**, Year 1 went on a fantastic trip to the Black Country Living Museum. It was a truly wonderful day out. Everyone working there was so friendly and informative. The children were engaged throughout the whole day and learnt so many things about how people lived up to 100 years ago. The highlight of the day was going back in time to a Victorian school and taking part in lessons, as the Victorian children would have. Mr Rollason even received the cane for breaking one of the school rules! Overall it was a thoroughly enjoyable day and the children were once again a credit to the school.
