

On **Friday 22nd July 2016** the whole school gathered for the final Attendance Assembly.

Each half term the school attendance cup is presented to the class with the highest attendance.

During 2015-16 we were delighted that 37 children received 100% attendance awards and 29 children received 99+% attendance awards, totalling 66 children who had outstanding attending during this academic year.

Everyone waited with baited breath to discover which class would be the winning class. Teachers are fiercely competitive over this and all want to hold the winning cup. Miss O'Connell had waited patiently all year and was delighted to be awarded the attendance cup for Year 1 with an overall attendance of **97.7%** for this half term, which is well above the national average. Mrs Workman (Year 2) and Mrs Levack (Year 4) shared the 'runners up' cup with class attendances of **96.5%**. Well done everyone! Mrs van Vliet is already looking forward to improving these attendance figures even more during 2016-17.
