

Strings Concert

On **Monday 4th July 2016** the school enjoyed a Strings Concert with pupils from Year 3 to Year 6 performing in groups, duets and solos playing the violin, viola, cello and double bass. As a finale we were treated to an ensemble piece with all pupils playing together with their teachers. Many of the pupils performing had received music awards and medals over the year and it was wonderful to see how all players have progressed. It is testament to the high quality teaching of Mrs Melenga and Miss Hobbs that our children are so talented.
