

# HAGLEY 90'S BAND TOUR

On the morning of **Monday 11<sup>th</sup> July 2016** everyone enjoyed the 'Hagley 90's Band' on their tour - a fabulous end of term treat! Mr Mallinson (or was it Bez?) was on great form, giving us all an insight into the music of the decade as well as explaining musical terms. In between each song the children learned about how songs were put together by layering each instrument and adding vocals and we all enjoyed joining in with singing and dancing. The hits certainly had the staff on their feet! Songs from Michael Jackson, Oasis, Supergrass and Take That belted out as children and staff joined in the fun. There were plenty of prizes for good listening and the musicians were as professional as always. Thanks to the Hagley 90's Band, ex pupils and of course to Mr Mallinson.
