## Sports Day

On **Monday 4<sup>th</sup> July 2016** Our Lady of Fatima School enjoyed a new approach to Sports Day.

Michelle from 'Dance with Michelle' began the afternoon with a warm up event for pupils and teachers...this was so inviting that many of our parents joined in too. Unlike previous years, the children then rotated along a carousel of sporting events on the school field and junior playground with their class, helping to gain points for their house teams. This was followed by the sprint finals for each year group, a toddlers' race, a mums' race and an extremely competitive dads' race!

Due to the nature of the event, parents and spectators moved around the field in order to watch the different events. A spectator pathway was also marked out using cones and a seating area was available on the playground.

The children all enjoyed their events and were all active for most of the afternoon. Well done everyone!
