

Summer Fayre 2016

On **Saturday 9th July 2016** Our Lady of Fatima School's PTA were up and about early to set up for the school's annual Summer Fayre. The weather was overcast and wet at the start of the day, but the brave decision to hold the fayre outside in our lovely grounds was the right decision as it wasn't long until the sun came out.

There were so many stalls to entice all visitors to spend, spend, spend to raise funds for our school. Everyone had great fun and a grand total of about £3,000 was raised. Thank you to all PTA members, friends of the PTA and staff members who ran stalls and of course to all the visitors who supported the fayre.
