

# Harvest 2016

**CAFOD**  
Just one world

On **Monday 10th October 2016** the whole school gathered to share our Harvest celebrations led by Year 5. Our chosen charities this year were CAFOD, to offer help and support overseas and the SIFA Fireside Centre in Digbeth, Birmingham to offer help locally. Peter McCann, Education Volunteers' Co-ordinator from CAFOD visited our school and spoke of the profound work that is undertaken by CAFOD Agency Workers, as a result of the generous donations made by schools and other organisations. He then led a workshop in Year 5, following the theme of building a brighter future.

Year 5 gave us a simple message: 'Do not be wasteful with food as many are so hungry'.

Thank you to all our families for their generosity in terms of practical items for the Fireside Centre, financial donations to CAFOD and spiritual support for our local, international and global families through the strength of prayer.
