

# Bear Creek

On **28<sup>th</sup> September 2016** children from Years 1 to 6 took part in outdoor activities supported by Edgbaston Water Sports. Children were given opportunities to climb 'The Wall', develop and improve their teamwork skills, or to take part in the archery challenge.

Those climbing had to show physical and mental strength to reach the top and many even climbed blindfolded, whilst a range of team building activities culminated in the pipe task- working together to feed a tennis ball through piping along a row of children.

Finally, the archery group took it in turn to fire their arrow at the target, aiming to achieve as high a score as possible.

The day helped to boost confidence and a sense of working together as well as being fun. Well done to everyone involved.
