

On **Thursday 8th December 2016** Year 3 set off on a special journey to Baskerville School, Harborne. They had been invited to meet Father Christmas in the Grotto at Baskerville's Forest School. Dressed in waterproof coats and wellingtons, Year 3 walked to Baskerville, explored parts of the Forest School before having a special audience with Father Christmas, amid his very busy schedule. There was also time to browse in the little shop where the children were able to buy a small gift. Thank you to the staff at Baskerville School for welcoming Year 3 and making their visit so very special. And thank you to Father Christmas for spending a lovely morning with the children.
