

On **Wednesday 1<sup>st</sup> February 2017** pupils from Years 5 and 6 represented the school in the Birmingham School Games Athletics Competition at Shenley Academy. Each child represented the school in at least three disciplines: both track and field events. The overall scores placed the school in fifth place with the boys finishing fourth overall and the girls sixth. Everybody played their part, including those children who won their overall events: Pati and Olivia in the 2 + 2 lap, and Kieran in the soft javelin. Well done everybody!
