

Congratulations Assembly

Each Friday we celebrate the successes and achievements of our pupils. Here are just a few of their recent accomplishments from our Congratulations Assembly on **3rd February 2017**.

Our new Holy door celebrating Our Lady of Fatima Golden Jubilee

1967 - 2017

Our **Athletics Squad** recently enjoyed success when they took part in an Athletics competition at Shenley Academy on 1st February 2017.

One of our Year 5 pupils excitedly shared details of how she is on the road to becoming an accomplished author, as **one of her stories has been published**. This is a great achievement and we are incredibly proud of her success.

Pupils in Years 4-6 are encouraged to read at the 11 am Sunday Mass at Our Lady of Fatima Church. Regular readers receive a certificate for being committed to their parish community. **Thank you to this week's readers from Year 5.**

Year 5 and 6 boys' team were winners at the recent **KS2 PTA Quiz night**. Well done boys!

Year 6 shared with the school their research into the anniversary of **Holocaust Memorial Day**. They had worked incredibly hard with Mr O'Connor to understand about the importance of tolerance, human rights and racial equality. They shared with the rest of the school that the Holocaust happened during the Second World War between 1941 and 1945. They explained that it was when the German Nazi party - led by Adolf Hitler - killed six million Jewish people from countries across Europe in an attempt to wipe out the Jewish population. Although the Jewish people had done nothing wrong, they were targeted simply because they were Jewish.

They created a wonderful display to complement their research.

We were awarded a **plaque** for our work with the International Space Station and Tim Peake.

We celebrated **Chinese New Year**- the Year of the Rooster with a lovely Chinese lunch and a wonderful assembly led by Year 2 with an accompanying display.
