

## Hagley Pyramid Concert and Anniversary Mass for the SNOMAC Schools 2017

Thursday 16<sup>th</sup> February 2017 turned out to be an incredibly successful and thoroughly enjoyable day for Year 5.

The day started with the second Anniversary Mass for the SNOMAC Schools at St Chad's Cathedral in Birmingham, where pupils from Our Lady of Fatima Primary School were asked to present the Offertory gifts. The children were especially reverent throughout Mass and extremely interested in finding out about the history of the Cathedral.

Following Mass, the children walked from the Cathedral to the Town Hall without any mishaps or complaints, despite being "starving"! They were delighted to reach the Town Hall so that they could enjoy their long awaited lunch.

The theme of the concert this year was "A Night at the Movies." As ever, Mr Mallinson's enthusiasm was contagious and audience participation was of course expected.

The children sang their hearts out and delighted in the opportunity to complete the "Mannequin Challenge" on stage between two of the songs.

Year 5 enjoyed the whole day, but the highlight of the concert had to be their solo performance of 'Footloose'. After weeks of practising, they overcame their initial shyness and executed the song like true professionals with enthusiasm and gusto.

Well done Year 5 - you are superstars. We are very proud of you all!
