

Strings Concert

On **Monday 3rd July 2017** the pupils, staff and parents of our school enjoyed a Strings Concert with pupils from Years 2 to Year 6 performing in groups, duets and solos playing the violin, viola, cello and double bass. We were all then treated to all the musicians playing together with their teachers. Many of the pupils performing had received music awards and medals over the year and it was wonderful to see how all players have progressed. We are indeed most fortunate to enjoy the high quality teaching of Mrs Melenga and Miss Hobbs which enables our children to become so talented. Well done everyone!
