

HAGLEY 50'S BAND TOUR

On the morning of **Tuesday 11th July 2017** everyone enjoyed the 'Hagley 50's Band' on their tour - a fabulous end of term treat! Mr Mallinson was on fire as usual, giving us all an insight into the music of the decade as well as explaining musical terms. In between each song the children learned about how songs were put together by layering each instrument and adding vocals and we all enjoyed joining in with singing and dancing. The hits certainly had the staff on their feet! Songs from the 50's filled the hall as children and staff joined in the fun. There were plenty of prizes for good listening and the musicians were as professional as always. Thanks to the Hagley 50's Band, ex pupils and of course to Mr Mallinson. We can't wait for next year's tour.
