

Having won the right to represent the Shenley area, children from Years 5 and 6 represented the school in the Tag Rugby tournament hosted at King Edward's High School on **Friday 14th July 2017**.

The first round began after the ceremony was opened by the Mayor, Myles Hesson (GB Basketball), Gamal Yafai (British Boxer), Galal Yafai (Rio Olympic GB Boxer) and Kal Yafai (WBA Super-Flyweight World Champion).

A win and a loss in the first round meant a second place finish and therefore the team played against other second placed finishers in the final round. A draw and a loss meant that the children finished sixth overall. A great achievement and the day finished with the chance to meet the sportsmen too!
