

Reception Class Wedding

On **Thursday 30th November 2017**, reception Class, KS1, parents and relatives were all invited to a 'pretend wedding'. There was such excitement the wedding party arrived in the hall amid the eagerly waiting guests.

As part of their topic : 'People who help us' Reception Class invited Father Craig to help.

He officiated at the pretend service and admitted that this was the very first pretend wedding he had ever celebrated.

Cole took his role very seriously as he gave Ciara away to Harley and then everyone witnessed as they said their pretend wedding vows to each other and even exchanged haribo rings. What a lovely pretend ceremony it was!
