

# PTA Sponsored Skip

On **Friday 26<sup>th</sup> January 2018** children from all classes took part in a sponsored skip organised by the PTA. The children all had great fun keeping fit and raising money for extras in school. Pupils skipped 100 times as they were encouraged and cheered on by their class mates. Well done to all who took part, including PTA volunteers and staff too!

As everyone had worked up an appetite, the sponsored skip was followed by another of our popular PTA cake sales after school. Cakes were sold in record time. Thank you to everyone who baked cakes and bought them as well.
