

Mini Vinnies

On **Wednesday 10th January 2018**, Teresa Kehoe visited Our Lady of Fatima Catholic Primary School to introduce a new and very exciting initiative.

Mini Vinnies is the Primary school strand of the St. Vincent de Paul Society (SVP). It is made up of children aged between 7 to 11 who, with the permission of their parents and the support of their schools, are encouraged to embark on their first steps as possible 'Vincentians for Life'. They 'see, think and do' good deeds for and in and around their community. The basis for each meeting will be praying for others who are in need of our help and then thinking about what we can do to provide support.

Teresa led an assembly which explained all about the founding of the SVP and how our Mini Vinnies could be an important part of that special society. When the children were asked at the end of the assembly whether they would want to be a 'Mini Vinnie' nearly everyone put up their hands.

Watch this space for new developments and the commissioning of important roles within the club. Although the children will be inventive and imaginative with their ideas, we will be needing the support of parents to get things done in the big, wide world. We know we can count on your full support.
