

Pancake Day

On **Tuesday 13th February 2018** Reception Class and Years 1 and 2 met in the hall to make some pancakes. The children (and staff) were very excited indeed. Mrs Lake explained why pancakes are traditionally made on Shrove Tuesday and then the children learned about the different ingredients needed to make the best pancakes ever.

They then had the chance to add the ingredients and mix it all together. Mrs O'Brien used the mixture to make pancakes for the children....they even had the chance to watch pancakes being made...and flipped in the frying pans.
