

The Stations of the Cross

On **Monday 26th March 2018** the Liturgy Leaders led a whole school assembly to mark the start of Holy Week by sharing the Stations of the Cross with the school. They planned, organised and delivered the assembly with knowledge and confidence.

They re-told Jesus' final journey on earth with moving illustrations and real-life prayers; through the Stations of the Cross the Liturgy Leaders reflected on Jesus' Passion as he sacrificed his life for us.
