

# The Big Bang

UK Young Scientists & Engineers Fair

On Friday 16<sup>th</sup> March 2018 Year 4 went to the NEC to the Big Bang Fair where they experienced the Gastronom and Quantum mechanical Chocolate Factory Show. They made toothpaste, planted seeds in cotton wool and impressed the staff with their knowledge and practical experience of growing vegetables. They carried out a little investigation to see if they were attracted to mosquitoes! They also learnt a scary fact.... red food dye in some marshmallows is made from the blood of bugs! To finish the excursion Year 4 danced with BBC presenters. What a fabulous day to mark the end of Science Week 2018.
