

During April and May 2018 Years 3 and 5 have had separate dance lessons with Michelle. On **Wednesday 23rd May 2018**, there was a sharing event where both classes demonstrated to each other the dance skills they had learnt. Year 5 had learnt a variety of dances including rock and roll dances, Bollywood and contemporary. They performed with confidence and everyone had great fun. Year 3 had learnt 3 dances relating to the theme of their First Holy Communion. They too, performed with confidence and with great big smiles!!! What a lovely afternoon showcasing the many different talents of our pupils.
