

Hagley's Reggae Band

Tour 2018

On **Monday 25th June 2018** the students from Hagley High School visited Our Lady of Fatima Catholic Primary School perform reggae songs for their Summer Tour. As usual, we were treated to a splendid morning full of fun, singing, dancing and of course...talent. In between each song the children learned about how songs were put together by layering each instrument and adding vocals and we all enjoyed joining in with singing and dancing. The hits certainly had the staff and children on their feet as reggae songs filled the hall. There were plenty of prizes for good listening and the musicians were as professional as always. Thanks to the Hagley's Reggae Band, ex pupils and of course to Mr Mallinson. We can't wait for next year's tour.
