

# Musical Extravaganzas

On **Monday 2nd July 2018** the pupils, staff and parents of our school enjoyed a Strings Concert with pupils from Years 2 to Year 6 performing in small groups playing the violin, viola, cello and double bass. Many of the pupils performing had received music awards and medals over the year and it was wonderful to see how all players have progressed. Performing in front of an audience can be nerve racking, but all of the musicians demonstrated their talents with great confidence. We are most fortunate to enjoy the high quality teaching of Mrs Melenga and Ms Hobbs which enables our children to become so talented. Well done everyone!

On **Thursday 5<sup>th</sup> July 2018** the pupils, staff and parents of the school were treated to a brilliant Keyboard Summer Concert. Each group of musicians performed under the guidance of Kata Scupien (Keyboard Teacher). It was wonderful to hear the range of musical material and see the confidence, talent, progression and professionalism of the musicians. Well done everyone!

On **Friday 6<sup>th</sup> July 2018** the pupils from the Ukulele Sing and Play Club treated the school to a rendition of the songs they had planned to share at the Quinzone concert later that afternoon. All musicians played with great confidence and skill. The talented choir accompanied the musicians with their tuneful singing. Well done everyone!

We have a truly talented group of musicians who practise at home to become the best they can be. All of their hard work pays off. Congratulations to all our musicians and singers for their hard work and commitment.
