

Sparkle!

On **Thursday 13th December**, the true meaning of Christmas came one step closer when the Infants shared the story of 'Sparkle', the main star of Bethlehem that shone above the stable where Jesus was born. The Nativity was spectacular in every way. The children were by no means 'starstruck', as they sang, acted, danced and told the story of that very first Christmas over two thousand years ago. Well done to all our superstar Infants and the staff for a truly memorable performance.
