

Our Lady of Fatima's

Sports Day 2019

On **Friday 12th July 2019** the sun shone brightly for the afternoon as all pupils at Our Lady of Fatima School enjoyed taking part in our annual Sports Day.

The Sports' Coaches began the afternoon with a warm up event for pupils, parents and teachers. Then the children then rotated along a carousel of sporting events on the school field and junior playground with their class, helping to gain points for their house teams. They were also awarded extra points for sporting values such as fairness, equality, discipline, inclusion, perseverance and respect, perseverance and determination. Parents and spectators moved around the field in order to watch the different events. The final part of the afternoon saw the sprint finals for each year group, a toddlers' race and two extremely competitive dads' races!

The children all enjoyed their events and were all active for most of the afternoon. Well done everyone and special congratulations to members of **St Martha** who were presented with the winner's cup! Year 6 House Captains proudly ran a lap of honour holding the cup.
