

# Firework Family Disco

On Friday 7<sup>th</sup> November 2014 the P.T.A. held the annual Fireworks Family Disco at school. The impressive firework display took place on the field, with the option of using the Before and After School Club as a viewing gallery for those who preferred not to brave the cold November weather. P.T.A. members and friends of the P.T.A. sold hot dogs, samosas, sweets, doughnuts and drinks. Thank you to all the families who supported the event.
