

Background

The Sport Premium funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary schools to spend on improving the quality of sport and PE for all their children with the aim of encouraging healthy lifestyles. The purpose of the funding is that schools will spend the sports' funding in directly improving their provision of PE and Sport, although they will have the freedom to choose how they do this.

Allocation

In **2015 – 2016** the school received two amounts of funding totalling **£ 8,900**.

The intention is to increase the quantity and quality of physical activity for all pupils; increase opportunities for children to take part in extra-curricular sporting opportunities; give a greater number of children the opportunity to access competitive sports; and support teachers in continuing their development of delivering high quality PE. During this academic year the school was proud to be awarded a Bronze School Games certificate for our commitment, engagement and delivery of competitive school sport.

As Our Lady of Fatima School is part of the Saint Nicholas Owen Catholic Multi Academy Company, we invested **£3,000** into specialist teaching and leadership in PE and Sport within our Academy to continue to raise the profile of Sport and in particular, competitive sport among the six schools within the MAC.

Aims:

- To offer competitive sport to pupils in all Key Stages linked to the new National Curriculum for PE.
- Coaching from specialist teachers, Sports Leaders and Young Leaders
- Raises standards of PE within the individual schools and the level of competitive sport played by pupils.
- Details of work carried out within the partnership will be good internal and external evidence for the schools, Academy Committees, Board of Directors and Ofsted Inspectors.
- Access to PE specialists and coaching will help with schools' preparations for the Catholic School Sports Tournaments.
- PE Specialist may be able to offer CPD in specific areas, as well as help with schemes of work, lesson plans, curriculum plans etc.
- A smoother and more logical transition for pupils within the Academy
- Access to equipment purchased through the SSP

Children have taken part in a range of activities, most of which are on the school website.

This is how funding has contributed to enhanced Sport Provision so far:	Purpose
High quality provision by additional sport external agencies including: <ul style="list-style-type: none"> • Football coaching through Aston Villa and Birmingham County FA • Dance Coach • Professional rugby coaches through Worcester Warriors • Secondary school sports leaders and staff through Hagley Catholic 	100% children, regardless of age or ability, access high quality physical activity on a regular basis. School staff participate in sessions with coaches to learn additional skills from professionals. Access to competitive sports.

High School, Lordswood Girls School and Lordswood Boys' School	
Provision provided by external agencies with year group specific focus	<p>Reception – Year 6 Aston Villa coaching Dance with Michelle</p> <p>Reception – Year 6 One day taster sessions delivered by Hagley Catholic High School staff and young leaders in a range of sports, including multi-skills sessions, tag-rugby, netball, athletics and football.</p> <p>Year 1 – Year 6 Lunchtime football coaching through Ryan Howard (Birmingham County FA)</p> <p>Year 1 and Year 5 Football coaching through Ryan Howard (Birmingham County FA)</p> <p>Year 6 Tag Rugby Coaching through Worcester Warriors</p>
An increase in participation of competitive sports (intra-school)	<p>The school's Sports day this year worked on a carousel basis for children from Reception to Year 6. The event began with a whole school (and parent!) warm-up with Michelle (from Dance with Michele) followed by seven events including a dance station and football skills station delivered by Ryan Howard (Birmingham County FA). The event helped to promote the school games values of honesty, self-belief, respect, passion, determination and teamwork.</p> <p>Children in Years 3 to 6 competed in the Our Lady of Fatima 3-a-side Euro 2016. Teams needed to include at least one girl and at least one member from Year 3 or 4. In total 72 children took part (60% of the children in KS2) during this lunchtime competition.</p> <p>Additionally, in a tournament organised and officiated by children in Year 6, children in Year 4 (boys and girls) competed in two separate table tennis competitions.</p> <p>Sport Premium Funding was used for School Games Values wristbands and to include a warm-up and dance station (Dance with Michelle). It was also used to purchase trophies and medals to host these intra-school competitions.</p>
An increase in participation of competitive sports (inter-school)	<p>A much greater number of children from Years 3 to 6 took part in competitive sports during this year, including the formation of the school's first girls' football team, tag-rugby teams and handball teams. Teams also competed in athletics, swimming, football, cross-country and boccia. Percentage of pupils representing the school in at least one inter-school competition.</p> <p>Year 3 23% (<15% previous year)</p> <p>Year 4 40% (<15% previous year)</p> <p>Year 5 97% (<30% previous year)</p> <p>Year 6 97% (<50% previous year)</p>
Physical Health Day including a visit by Edgbaston Reservoir staff to take part in outdoor and adventurous activities. (Due to poor weather on June 15 th 2016 this activity was postponed until 28 th September 2016)	<p>All pupils from Year 1 to 6 had the opportunity to experience a outdoor and adventurous sporting activity through either wall climbing, archery or problem solving.</p> <p>All of KS1 and 2 (180 children) took part in one of three outdoor and adventurous sessions provided Edgbaston Reservoir, through Bear Creek Adventures.</p>
Opportunities for CPD	<p>As well as working alongside qualified football, tag rugby, tennis and dance coaches, teachers in Years 1 and 5 began the FA Primary School Teacher Award, with the Key Stage 2 co-coordinator completing a one day course</p>

	(supply cover through Sport Premium).
Extend play buddy scheme	Older pupils were trained to engage with younger pupils with a focus on physical playground games so that they are active and engaged in group social play. Additional resources were purchased to enable for this to happen. Adoption of Play Makers Scheme for Year 6 children, who organised an intra-class Table Tennis tournament for Year 4.
Purchase of additional playground and sports equipment following an audit of existing resources.	The additional equipment increased access and better use of time and equipment for all pupils. Two new basketball post (through partnership with Hagley Catholic High School), two handball goals and balls have all been purchased to promote and enable a higher level of activity during lunchtime, and to promote sports not previously played within the school.
Playtime Games and Equipment	Reception Class's Lunchtime Supervisors are pro-active in daily playing of games as a whole class during lunchtime. Weather permitting, children access the field, the football pitch and tyre park along with climbing apparatus during lunch time playtimes. Sainsbury's Active Kids vouchers totalled 3300. New playground equipment (coloured balls, goal posts and cones etc) have been ordered for the new academic year, solely for use at playtimes. Additionally, three new handballs and two handball goals were purchased to support the implementation of this sport into Our Lady of Fatima School.
After School Sport Provision Dance and Football coaching sessions.	Offered throughout the year to enable pupils to take part in physical activity and enjoy improving their skills, regardless of ability. During the Spring Term this included a girls only (Years 3-4) after school football club to tie in with The Fa's National Girls' football Week celebrations.
After School Sport Provision, including: <ul style="list-style-type: none"> • Netball (delivered by staff and young leaders from Lordswood Girls' School); • Cricket (delivered by staff Lordswood Boys' School); and • Tag-rugby (delivered by Worcester Warriors coaches). 	Offered to enable pupils to take part in physical activity and enjoy improving their skills, regardless of ability. Netball was offered to children from Years 5 and 6; cricket was offered to all children in Years 4, 5 and 6; and tag-rugby was offered to children in Years 4 and 5.
After School Provision	Children had a number of after school activities available to them this year. <u>AVFC:</u> Autumn 1. 18 children (30%) from Years 5-6 Spring 1. 18 children from Years 3-4 Spring 2. 18 children (30%) from Years 1-2 (23% in previous year) Summer 1. 18 children (Girls only- 30%) from Years 3-6 Summer 2. 27 children from Years 3-6 (23% in previous year) <u>Worcester Warriors:</u> Summer 1 and 3 (18 children from Years 4-5) 30% <u>Netball (Lordswood Girls' School):</u> Spring 2 (18 children from Years 5-6) 30% <u>Cricket (Lordswood Boys' School):</u> Summer 1 (18 children from Years 4-6) 30% <u>Dance</u> Dance lessons were offered to children attending BASC. Participation: 8 children from Year 1 (24%); 14 children from Year 2s (42%); 13 children from Year 3 (39%); 5 children from Year 4 (15%); 6 children from Year 5 (18%); and 7 children from 6 21%). In addition children were invited to take part in the Street Dance Accreditation Exam.

'Walk to School' Week	The intention is to raise the profile for parents and as well as pupils of daily physical activity and to consider walking as an alternative lifestyle choice. Each class participated in Walk to School Week. Each morning an informal 'walking bus' met at a designated area and walked to school. Numbers of families and teachers who participated increased each day with over 30 families joining on the final day. Children learnt more about Road Safety along with the benefit of daily exercise. All children, who had increased their daily exercise were entered into a competition to win a shopping voucher.
Bikeability	23 children from Year 5 children had the opportunity to access cycling proficiency training, increasing their understanding of Road Safety as well as encouraging participation in an aerobic activity. 10 children achieved Level 1 13 children achieved Level 2
Wake Up, Shake Up	Available to all classes – different levels – suited to different abilities. Enables children to increase their physical activity in a fun way each day. During Walk to School Week each Key Stage held daily Wake Up Shake Up sessions.
Raise profile of PE	Focussed Gymnastics lessons for all classes were delivered every Tuesday in the Spring Term. Skills were taught, practised and learnt and by the end of the unit pupils shared short sequences to the rest of the class, who celebrated what was good and areas for improvement. Competitive sports has a higher profile in school through a dedicated notice board, match and tournament reviews during weekly celebration assemblies and the promotion of the School Games Values during the school's sports Day.
Additional Sport Provision for pupils who attend the Before and After School Club	Pupils enjoy access to our wonderful grounds and have benefited from additional resources and sessions including Dance and Football Coaching.
Birmingham Catholic Schools' Sports	School swimming representatives took part in the Catholic Schools' Swimming Gala at Wyndley Leisure Centre, where they shared overall Boys' Cup (including an individual winners medal in the boys' breast stroke final and runners up medal for the boys' relay team). Children from Years 3 to 6 also represented the school in the Athletics Competition held at the Alexander Stadium.

How the impact of the funding made a difference to PE and Sport

participation and attainment:

As a result of using the funding:

- We have a high quality PE lessons and our staff continue to be expertly trained in delivering lessons with and without expert coaches. Regular timetabled sessions including games, athletics, gymnastics, dance and swimming across the school year to provide a broad and balanced experience in all year groups.
- Our pupils receive high quality teaching and learning opportunities in PE
- We offer a variety of after school clubs throughout the year. An increased number of pupils are involved in activities in/out of school.
- Our pupils have participated in a greater number of fixtures such as Football Leagues, Athletics competitions, and Swimming Galas. As well as this for the first time children at Our Lady of Fatima competed in inter-school competitions in tag-rugby and handball.
- We provide lunchtime opportunities for additional exercise with use of a variety of equipment. This encourages participation, involvement and confidence in children, through both independent play and team games.
- Lunchtime coaching for Sports' Teams is available as required.

We aim to continue to develop and sustain the teaching and learning of PE through the following values; honesty, determination, respect, self-belief, team work and passion.

In **2016-2017** our allocated funding is **£8,900**. As Our Lady of Fatima School is part of the Saint Nicholas Owen Catholic Multi Academy Company, we have invested **£3,000** into specialist teaching and leadership in PE and Sport within our Academy to continue to raise the profile of Sport and in particular, competitive

sport among the six schools within the MAC. This is a continuation of the sports partnership created during 2015-2016.

The remaining **£5,900** will be allocated to similar activities as outlined in 2015/16 report above.

- Specialist PE Coaches to work alongside teachers and facilitate the delivery of effective PE lessons
- Increasing pupils' participation in Intra and Inter-School competitions, including children in Key Stage 1 and children with a Special Educational Needs and Disability
- Train children in leading sports activities at lunchtime
- Providing specialist resources and teaching materials to broaden and enhance the PE curriculum
- Closely monitor progress through assessment CPD delivered by partner schools

- Providing a variety of clubs for children to participate in after school (using pupil voice to support this). Our aim this year is for 35% of the children to access after school activities every week.
- Focussed activities to promote healthy living
- Purchasing of additional playtime equipment to ensure all pupils increase activity opportunities during recreational periods
