

Our Lady of Fatima Catholic Primary School

Autumn 2016

Reception Class

Class Newsletter

Class Teacher: Mrs Lake

Welcome to Our Lady of Fatima Catholic Primary School. I hope that you have had a wonderful summer break and are ready to embark upon this new chapter as a family with your child. The children have had a positive start and seem to be settling into school life well. Within this newsletter I hope to guide you through this first half term and to give you some tips in order to make the transition into school life easier.

As the children are maturing it is important that they develop their independence. It is helpful if they can recognise their own belongings and can dress and undress with minimal adult intervention. Please ensure that all of your child's uniform and belongings are clearly labelled and that they can recognise and read their name independently. Please have all monies for school clearly labelled in envelopes in your child's book bag, so that each child can independently put them into the class money box. We spend some of our time outdoors in the Early Years and have to dress according to the weather. Rain and wind does not stop the Reception Explorers! Can you therefore provide them with a coat that they can independently put on as the weather gets colder?

The only bag that is needed in school is your child's school book bag, as it fits into your child's drawer perfectly! This is only to be used for reading books and letters to or from school. It should not be used to carry water bottles, as when they leak school books can be spoilt, which may result in a charge to replace items.

Religious Education

Reception Class follow the programme of work outlined in the Curriculum Strategy for Religious Education, 'Learning and Growing as the People of God'. The programme supports the children to develop an appreciation of themselves and the world around them.

The children will learn about the following units this half term: Creation and People Who Help Us.

Much of the focus in R.E during the children's Reception year is about developing their understanding and experiences of prayer. Most work is very practical either through discussion, role play and stories.

Each week the Class Prayer Bag will be shared. This contains a prayer cloth, candle, Bible stories, prayers, religious artefacts and a class prayer book.

When chosen, pupils are asked to pray at home with their families using the resources provided and they will be encouraged to write a prayer with an accompanying picture, at home. They will need some support with this to begin with.

Father Craig, our new Parish Priest will regularly visit each class in school. The children are encouraged to attend the Family Mass at 11 a.m. at Our Lady of Fatima Church each Sunday. Regular attendance at Mass will help each child to become familiar with words and actions used, as well as helping to develop an awareness and understanding of the significance of different parts of the service and a deeper understanding of how our faith is an integral part of daily life.

English

Once the class are settled and we have determined each child's starting point, your child will bring a school book home to read each Monday and Friday. Initially, this may be a picture book which will be used to help settle your child into a good reading routine and then they will progress onto simple words/sentences. Please ensure that you choose a quiet, comfortable place to share this book and encourage your child to follow the text with their finger as they read. If on the second time you read they appear to have memorised the text, try closing the book and challenge them to find given words within the book. Additionally, do supplement our scheme with books from home or the library. We do ask that regardless of the reading material, record their efforts in the blue reading diary each evening so that we can gain a flavour of what has been read. When ready we will also send words lists home for your child to learn.

Each day the children will learn Letters and Sounds; they will become familiar with the sound that each letter makes and how to blend sounds to read and write words independently.

On **Thursday 20th October at 2.15pm** you will be invited to a Reading Workshop. The aim of this is to help you to confidently support your child when reading at home.

Your child will also bring home a library book each week. Books will be changed each week on **Fridays**. The children will be encouraged to choose different books each week therefore widening their experience of a range of fiction and non-fiction texts. They must therefore return their books promptly so that they, and others, can enjoy them.

Writing

Please encourage your child to make marks and to attempt to trace or write their name. Always use lots of positive praise so that these first learning experiences are good ones that they will wish to repeat.

Maths

This term Reception Class will practise counting and recognising numbers to ten and beyond. The children will also be encouraged to solve mathematical problems, many involving simple addition. These activities will always be of a practical nature and ideas for supporting at home will be provided in your child's homework book.

Playing games, such as snakes and ladders, is an ideal way of extending this work as it involves counting and number recognition, as is dominoes.

Shape, Space and Measures work will focus on 2D shapes and their properties as well as, capacity. A large aspect of this work is modelling and encouraging the children to use the correct vocabulary.

Creative Curriculum

Our topic for this half term is Journeys. We will be focusing on Geography and will be learning about our school environment and how to find people and places around the school. We will also be thinking about ourselves and our amazing bodies. This will involve scientific investigation into our senses, eye and hair colour.

Creative Play

Alongside the Creative Curriculum we take our learning from the needs and interests of the children and so 'class topics' develop. The majority of the work we attempt in Reception is of a practical, playful nature and very hands on. We always encourage the children to regard their own and others safety whilst still taking measured risks (balancing along crates, large water play using pipes etc.) The children know to wear protective clothing when attempting certain activities as uniform is expensive, but accidents do happen and we ask for your understanding.

The PTA has kindly donated the money for us to buy puddle suits and wellingtons to ensure that our mud kitchen and the other areas of our garden can be accessed all year round. We also provide aprons for messy art and cooking, but sometimes accidents do happen!

P.E

Each Tuesday Reception Class will have P.E sessions. This half term the children will practise going into the hall and remembering P.E rules. They will do this whilst playing simple games and will learn how to find a 'good space' and whilst learning other safety rules. Please ensure your child has the correct PE Kit in school-navy blue shorts and a plain white T shirt with black school pumps (no laces), placed inside a school pump bag. Please label

all items of your child's kit and continue to practise dressing and undressing with independence. This will make your life easier, as well as ours!

Homework

This will be set on **Fridays** and needs to be completed and returned by **the following Thursday**. Please use a sharp pencil to complete written tasks and encourage correct pencil grip. Homework is an opportunity to see what your child is learning in school. Use homework as a way of finding out a little bit about your child's learning. If your child is willing and able to complete more than the required amount please do, but do not force this as we are trying to embed a love of learning that will last a lifetime. Many of our earlier homework activities will be of a practical nature and we ask that you comment each week on how your child coped with the homework set, as this helps us to set work of an appropriate level. Remember the homework is for them to complete with appropriate support.

Snacks

Fruit is provided free of charge for each child every day. Until your child's fifth birthday they will also be provided with a free carton of milk (unless dietary needs specify otherwise.) This will be distributed at morning play. Toast (20p), milk (20p) and fruit juice (35p) will be available each day after October half term and more information will be sent out nearer the time. The money for these snacks should be brought in on **Mondays**.

Please check that you **only** provide plain water in your child's water bottle everyday. Children have free access to the water dispenser throughout the day and can fill up their bottle whenever it is necessary. Please be aware that I do not have spare bottles in class. Please name your child's bottle.

Dates for Your Diary

22nd September 2016: 'Welcome Disco' 6.30 pm

26th September 2016 and 5th October 2016: Parents' Evening

6th October 2016: Reception Class's Blessing Service in the school hall at 9.05am for all parents

12th October 2016: Harvest Service at 9.05am in the school hall.

20th October 2016: Reading Workshop in Reception Class 2.15pm

All other dates can be found September's school newsletter.

Thank you for your continued support. If you have any questions or queries, please feel free to ask me.

Yours sincerely

Mrs H Lake
