

Parents' Transition Information

July 2020

Welcome to Year 6

Expectations

At Our Lady of Fatima we pride ourselves in maintaining high expectations and appreciate your support with these too.

- Children in neat and tidy **full uniform** every day with correct socks and black shoes.
- Only **one pair of plain, round stud earrings** (no shapes or patterns) in the lobes of the ears. Watches are allowed but not smart watches in which messages can be sent and received
- Please do not get your child's ears pierced during school time. It must be done in the six week holiday and the children must be able to take the earrings out and put them in for PE sessions independently. Staff are not allowed to touch the piercings.
- No other jewellery is allowed
- No nail varnish allowed
- No extreme hair styles – tram lines etc.
- Long hair must be tied back (for girls AND boys).

Expectations Continued

As you already know, as parents, you are the primary educators of your children. You all play a crucial role in the education of your children along with us all here at Our Lady of Fatima.

- Please ensure you are encouraging your child to be independent e.g. carrying their own bags into school, getting their PE bags ready for the correct days, having the equipment they need, handing in their homework on time etc.
- Key Stage 1 children should be able to cut up their own food at dinner times unless they have a particular need in being able to do this
- Reading, writing and maths activities should be encouraged at home (more to follow in the upcoming slides).
- Pencil cases should be manageable size (Key Stage 2 only)
- Please encourage children to look after their belongings
- Everything should be labelled

Homework

- It is vital that parents display a positive attitude to homework and value its importance. It is also important for parents to recognise that it is the children's responsibility to complete work too.
- If parents feel that the homework is insufficient for their child's needs, they are encouraged to take responsibility for the child's learning themselves (as co-educators with the school), by visiting the local library, providing other educational opportunities by visiting local places of interest or by buying homework books from local bookshops.
- Teachers will be more than happy to provide you with a list of educational websites to help with homework and revision.
- If parents have any queries or questions about homework, they should, in the first instance, contact the child's class teacher.

Pupils with special educational needs

- We set homework for all children as a normal part of school life. We ensure that all tasks set are appropriate to the ability of the child. If a child has special needs, we endeavour to adapt any task set so that all children can contribute in a positive way.

Homework in Key Stage 2

We have a consistent approach to homework across our four Key Stage 2 classes.

- **Reading should be completed every night and recorded in their reading record.**
- **Times tables should be learnt by heart (by the end of Year 4, children should know ALL times tables up to 12 x 12 in and out of order)**
- **Spellings should be learnt every week.**
- **Homework each week will consist of Reading, a written activity, spellings and maths.**
- Any online homework, such as Purple Mash, should be completed when set. Opportunities will be provided for children who do not have access to the internet or parents should visit the local library with their children to use the computers free of charge. Children can access these resources independently even when homework is not set.
- Any other topic work/project work should be completed when set (usually over the course of a number of weeks).
- Children in Year 6 may be given more if it is felt it will support their learning as they approach the National Assessments.

Your new teacher is ...

Hello, my name is Mr Hamilton. I am very excited to start teaching you in Year 6. I am just going to tell you a few things about myself.

In Year 6 I am going to need help with all the jobs around the classroom as you will know more about the school than me. I have worked in Year 6 for the last 3 years so I am looking forward working with you all in this very important year for you all.

I am scared of spiders and scary films
I would love to see the mighty Aston Villa win the league. Think that may just have to be a dream...
My favourite dinner at home is sausage and mash.

I am very lucky because I have an amazing family and great friends who are very supportive.

I love exploring new places... When I can't go off exploring new places I really enjoy reading especially Harry Potter and the Alex Rider series. I also love spending time with my wife, friends and family. I also love to go walking and take our Whippet, Merlin, for lots of walks in the park and woods.

My favourite colour has always been blue **I do enjoy everyday, but my FAVOURITE day is,** Christmas Day or my birthday as I love spending time with my family.

A little known fact about me... I met my wife in Brazil on a mission trip **I really enjoy most sports and competitions. I am very competitive** **Last year** I was very lucky to be able to go to Rome for the Canoinisation of St John Henry Newman.

Any Questions?
