

Reception Class's Blessing Service

On **Thursday 4th October 2018** Reception Class were welcomed into our school community during a beautiful Blessing Service. Parents, relatives and grandparents also attended this beautiful, prayerful service along with Year 6, who came along to support their 'special friends'. Everybody listened to Father Craig as he explained why learning in school shows how we can all follow in Jesus' footsteps. Mrs Lake read a Bible story about Jesus welcoming little children.

Father Craig then blessed each child individually as he welcomed them into the community of Our Lady of Fatima Catholic Primary School. Teachers and parents then welcomed the children into the school community.

After the service, Reception Class introduced their special Year 6 friend to their parents.
