

Memories

On Tuesday 18th December 2018 the Junior Carol Concert took us back in time when they shared with us memories of Christmas long ago. The Christmas story evolved through a 'World War' theme, as children acted out a family dressing their Christmas tree with memorable ornaments. It brought two countries together as the British soldiers befriended German soldiers. Thank you to all our Junior children and their teachers for sharing with us a memorable journey of Christmas through the ages.
