

We're going to the zoo, zoo, zoo.....

What an amazing trip Year 1 had visiting all the animals at Dudley Zoo on **Wednesday 19th June 2019**.

Year 1 had the most amazing time learning all about African animals together with the opportunity to learn about many species of animals from all over the world: naming, describing and observing a variety of species. They investigated all the animals' habitats around the zoo. The site was clean, the staff, keepers, gardeners, catering were eager to chat and were passionate about their jobs. But, it was the animals they went to see, and they really did see them close up, especially the Tiger, Ant Eater and Giraffes as they showed off their beauty. It was such an enjoyable and memorable experience. Year 1 loved every minute.

Take a look at the fun we've had ...
