During Lockdown, BG had 9 inches of hair cut off and donated it to the Little Princess Trust, which is a charity that makes wigs for young girls who have suffered hair loss through medical treatment or conditions. Her family talked about it for some time and what a special thing it was to do and so two weeks ago she finally did it. She said she wanted to help make the little girls with no hair smile and feel happy. What a lovely' selfless act of kindness. Well done BG!
