

Week beginning 6th July 2020

Year 6 bubbles watched Mass at St Chad's Cathedral on Monday 6th July 2020. They heard the Gospel from St Matthew when Jesus brought a dead girl back to life: 'She is not dead, just asleep.'

We darkened the classroom and meditated on what it really means to be a good friend, a good neighbour....

On Wednesday 8th July 2020 Kenelm's Youth Trust led our class worship from Alton Castle. The children were really engaged as they recognised some of the young people at the Retreat Centre from their visit back in September 2019.

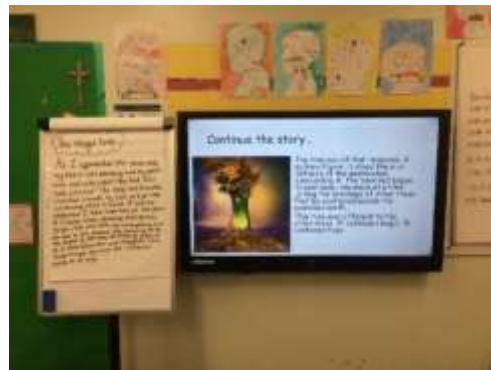

We prayed about accepting what we cannot change and letting go of any burdens. We know that we are all in God's hands and He will guide and support us.

Cooking is a firm favourite with the children. They made chocolate crispy cakes; this involved careful weighing and measuringthe children thoroughly enjoyed eating them too!

In our writing this week, we used word mats to uplevel our vocabulary choices. We wrote using a picture for inspiration.

We improved our skills of inference and deduction during our Reading Comprehension lessons this week. Reading beyond the text is a challenging skill but we managed this really well.

We also learnt more about the accurate use of semi colons, colons and dashes within our writing.

In Forest School this week we braved the wet weather and built a waterproof den in the rain. It was great fun.
#outdoor life

Year 6's finished sandals. Some impressive designs ☺

Indoor painting of Forest School signs and our bird houses.

We set all children at school and at home a 'Guess the Staff Member' challenge. Staff shared a photo of themselves when they were of school age and all children are invited to submit their guesses of which photo matches which staff member. It's not as easy as it looks!

Following on from the work Year 6 did last week in Maths investigating the perimeter and area of shapes, this week they looked at the volume of cubes and cuboids.

sending you a hug
